Dear Ms. Dunn:

The U.S. Department of Education's (Department's) School Participation Division – New York/Boston issued a program review report on January 13, 2015 covering American Academy McAllister Institute's (AAMI's) administration of programs authorized pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et seq. (Title IV, HEA programs), for the 2012/2013 award year. The institution's final response was received on May 1, 2015.

The School Participation Division - New York/Boston has reviewed AAMI's responses to the Program Review Report. A copy of the program review report (and related attachments) and AAMI's response are attached. Any supporting documentation submitted with the response is being retained by the Department and is available for inspection by AAMI upon request. Additionally, this Final Program Review Determination (FPRD), related attachments, and any supporting documentation may be subject to release under the Freedom of Information Act (FOIA) and can be provided to other oversight entities after this FPRD is issued.

AAMI's responses have resolved all findings. In addition AAMI has provided assurances that the appropriate corrective actions have been taken to resolve and prevent future occurrences of all findings. Therefore, AAMI may consider the program review closed with no further action required.

Program records relating to the period covered by this program review must be retained until the later of: the resolution of the loan(s), claim(s) or expenditure(s) questioned in the program review [34 C.F.R. § 668.24(e)(3)(i)] or the end of the retention period applicable to the record [34 C.F.R. § 668.24(e)(1) and (e)(2)].
